**Roadway Improvement Project Scheduled for Congress Street (U.S. 11) in New Market**

**New Market, VA** — The Virginia Department of Transportation (VDOT) has announced that a milling and paving contractor will begin a roadway improvement project on Congress Street (U.S. 11) in New Market. The project is scheduled to start on *August 4, 2024, at 8:00 PM* and is expected to be completed by *August 16, 2024*, weather permitting.

The improvement work will be conducted nightly from 8:00 PM until 6:00 AM. During this time, motorists should anticipate lane closures and delays. Residents along Congress Street are advised to find alternate off-street parking to accommodate the contractor's request for full roadway access (curb to curb).

**Alternate Parking Areas Identified:**

- **Southern Kitchen (rear lot)**  
9576 South Congress Street, New Market, VA
- **Public Parking Lots:**
  - South Congress Street (Jalisco's)
  - John Sevier Road (between Town Office & Post Office)
- **Manor Memorial Methodist Church Parking Lot**  
9320 North Congress Street, New Market, VA
- **Reformation Lutheran Church Parking Lot**  
9283 North Congress Street, New Market, VA

For more information and updates, please visit the Town's Facebook page (NewMarketVA) and the Town's website at [www.newmarketvirginia.com](http://www.newmarketvirginia.com).

The VDOT contractor and the Town of New Market request the cooperation of all residents and motorists during this improvement project to ensure a smooth and efficient completion.
